## Learning Together Initiative Programs for Cambodian Families

Gardner Family Care Corporation  
Centro de Bienestar

## Background

Learning Together Initiative Programs for Cambodian Families (LTI) was founded in 2010. As a part of Gardner Family Care, LTI provides services to Cambodian families who have children age 0 to 5. LTI also collaborates with Wat Khemara Rangsey temple to provide services for families on-site.

## Mission

The LTI program focuses on providing cultural sensitive services to Cambodian families who have children age 0 to 5. The program provides a head start to children by helping them to develop early literacy, oral language, and social interaction, and also to help them bonding with their parents.
